

Clermont County Park District Summer Camp

General Information and Policies

Camp registrations are NON-REFUNDABLE and ONLY TRANSFERABLE TO YOUR IMMEDIATE FAMILY MEMBERS. Please only register for the camps your child can attend and which do not conflict with other summer plans you may have. Camp fees may not be prorated for any days of camp missed due to weather cancellations (see below for more information), homesickness, voluntary withdrawal, behavior challenges, illness or injury.

All registrations and payments must be received one week prior to the start of camp. Please call our Park District's main office at 513-732-2977 with billing/payment questions. Call the park naturalist at 513-240-2615 for reservation and camp-related questions. Registration forms and camp listings are available at www.clermontparks.org.

Camp Groups:

Campers are divided into groups of similarly aged children for the week's activities. Camp provides an excellent opportunity to make new friends in a fun-filled environment. The age range per camp can be found on the camp flyer/brochure and registration forms. Parents should pay close attention and review this before registering. For example, a child must be five and entering 1st grade to be registered for all day camps (9:30am to 2:30pm). **Preschool campers must be potty trained.**

If a child of the wrong age is registered for a camp, you will be notified by our main office and we will try to accommodate you in another camp but we cannot provide a refund.

Weather Conditions:

For camps located at Sycamore Park:

If severe weather (thunderstorms and heavy rain) is predicted during the start or end of camp, a delayed start or early dismissal may occur. If severe weather is predicted for extended hours during camp, these camps may be canceled. Outdoor activities continue during a light rain. If camp is canceled for the day, parents will be notified by email at least an hour before the starting time. No refund will be given for a canceled camp day.

For camps located at Chilo Lock 34 Park:

The buildings provide a safe haven during severe weather (thunderstorms and heavy rain). Camp activities will occur indoors until the severe weather has passed; outdoor activities continue during a light rain.

During heat alerts at all camps, hiking and other lively activities occur earlier in the day and quieter activities later.

Transportation:

Parents or other family designated adults are responsible for transporting campers to and from camp. This adult should remain with the child until they are settled with their counselor on the first morning. Campers should be dropped off and picked up at designated areas determined on the first day of camp. Please do not leave your child in the park unattended before or after camp hours.

Lunch:

Campers need to bring a bag lunch with drink and water bottle to camp every day. We recommend campers pack their lunches in insulated bags with a cooling pack. Refrigeration is not available. Snacks are provided for half-day camps.

Clothing:

Campers should dress to be outdoors based on the weather. Old clothes and sturdy closed-toe shoes or boots are essential. No sandals, crocs or open-toed shoes are permitted. Please bring raincoats or a poncho if forecast predicts rain. Please apply bug spray and sunscreen to your camper before they are dropped off at camp, as our staff cannot apply these products to campers.
